

***** Raised a leaking roof on our veranda. The ceiling dripped alot of water when it rained. Chris gave a prompt & accurate assessment of what needed doing (2 others had looked before him) and did the work on time AND BUDGET. Brilliant service from a friendly, conscientious tradesman.**

***** Chris removed a fireplace for us, patched the roof, jack-hammered the hearth, patched the floor and ceiling, re-plastered the wall and repainted the whole room. It's great - you would never even know a fireplace had been there!**

***** Dear Chris,**

This is just a note to thank you for the time and effort you put in to help me with my court case. Cynthia has told me you do not intend charging me for your time and effort. There are not too many people around today

who are not hell bent on extracting every last dollar they can get, so you are one in a million. Please accept my sincere thanks.

Kind Regards

Tony V
